

Writer's Workshop: Fundamentals of Writing (Grades 6 – 9)

Success as a student means being able to write a well-organized and detailed essay. This workshop will teach the six basic traits of excellent writing: voice, organization, sentence structure, fluency, grammar and punctuation, as well as critical thinking skills. Topics will include:

- Language and style—how to communicate effectively.
- Thesis statements—what they are and how to use them successfully.
- Persuasive, descriptive, expository and narrative writing.
- “Writing for fun” (fun writing activities students can do on their own)

A professional writing instructor will lead these sessions.

Tuesdays and Thursdays, 2:00 – 4:00pm

Session I: July 1 – July 24

Session II: July 29 – August 21

Cost per session (8 classes): \$360
