**Winter semester begins the week of 11/29/21 to 2/28/22 (12 weeks).**

To sign up for the winter semester, please list your preferences in the table below. We do require a minimum of three players for a clinic to go ahead and we will confirm once we received your registration when that number has been hit.

Matchplay Clinics are free of charge - however, if you would like to ensure that your son/daughter has a spot in one of those, we recommend signing up for those on this document as well.

**Sign up deadline - Friday November 26th 2021**

Day	Time	Clinic Name

If clinics are missed due to illness or injury, they can only be made up within that semester on alternate days - no rollovers.

Pricing can be found on the club website at [www.greenwichwaterclub.com/programs/squash](http://www.greenwichwaterclub.com/programs/squash)
